Fewer Houses And Flats Built In Altona

Fewer new houses were built in Altona last financial year than in the previous three years, Mr. A. Beech, Building Surveyor, told Altona Council last week.

Only 221 houses were built during the financial year ending June 30, 1970, compared with 355 the previous year. This represented a drop of nearly \$1 million in money spent on house building in the city.

Mr. Beech said the drop in home building was due to the limited availability of residential allotments in the city.

"Finance has been somewhat restricted in the past two or three months, but this temporary hold-up would not greatly affect the rate of residential-type construction on the overall yearly figures if land was available for residential building," he said.

Flat construction dropped by nearly 50 per cent. during the year — from 110 flats in the financial year ending June 30, 1969, to 57 up to the same time this year.

The total value of flats constructed last financial year was more than \$2½ million less than the previous year.

Mr. Beech said the drop was due to restrictions imposed by Land Use permit conditions which limit the number of flats per site and require additional car parking spaces to be provided.

"The lack of availability of sewer reticulation has also had a limiting effect on flat development, as septic tank effluent disposal beds must be provided within the site, thereby reducing the amount of area usable for car parking," he added.

Eleven more industrial buildings (a total of 1,146) were constructed during the year, but the total value of these, \$3,627,029, was \$16,242 less than the value the previous year.

Raffles, Stalls And Thanks

Altona Council granted the Altona R.S.L. Women's Auxiliary and Chis-Lon permission to sell raffle tickets in the city.

The Salvation Army will conduct a street stall in Pier Street on December 5.

Mr. J. W. Waters, Town Clerk, told council organisations which received donations from the council's charity vote had sent back letters of appreciation.

"An extract from the letter from the Altona Spastic Relief Association reads: The committee and members are hard working and very enthusiastic to erect a hostel in Altona for the local spastic children, and adults, and with the help and co-operation of such bodies as the council, we hope it will not be too long before our aim is achieved," Mr. Waters said.

Mr. Beech said petrochemical industry extensions helped maintain the industrial construction figure, but this would possibly decline unless expansions or new projects were started.

Mr. W. S. Long, the City Valuer, reported that the city's net annual value at the end of the financial year was \$8,653,657.

Houses and flats made up nearly 43 per cent. of this, with vacant residential land making another three per cent. Industrial land made up just over 48 per cent. and vacant industrial land added another 2½ per cent.

Shops, service stations and vacant commercial land added nearly 3 per cent. to the city's total value.

Permission Granted

Mr. Don Smith, of Noor denne Avenue, Altona, has been granted permission to use land in Pier Street for a car dismantling yard and for the sale of used car parts.

The property is at present used for wrecking purposes. The council's approval is subject to Mr. Smith carrying out a number of improvements and agreeing to conditions set down by the council.

Approval in principle has been given for Mr. Robert Ferry, Pier Street, to establish a business for the sale and service of caravans and caravan equipment on part of the service station property at 102 Pier Street.

No More Land

Land considered suitable for extensions to the W. L. J. Crofts Reserve, Altona North, had been sold as a factory site, Mr. J. W. Waters, Town Clerk, told Altona Council last week.

"This is most disappointing," said Cr. D. K. Grant. Cr. H. Weaver was told the football and soccer ovals planned for the reserve could still be constructed.

Plan Approved

Altona Council has approved a plan to consolidate two narrow allotments in Blyth Street so any building proposed for the site will comply with existing legislation.

Council was told the developers planned to seek permission to erect villa units on the site.

the council, we hope it will not be too long before our aim is achieved," Mr. Waters said.

FLATS REFUSED

Altona Council last week refused permission to erect three lots of flats on the grounds that they did not comply with either the Uniform Building Regulations or the council's flat construction requirement.

The applications refused were submitted by: S. and V. Petalas, Pier Street, permission to use land on the north side of Railway Street for a converted house and three flat units; Spiro Gauci, Sixth Avenue, permission to construct flats on the east side of Sixth Ave.; John and Maria Hanciu, Robin Street, permission to erect six flats near the corner of Bell Avenue and Purnell Street.

Council decided to refuse Mr. T. Hovorka permission to construct a restaurant on the east side of Pier Street, south of Queen Street, on the grounds that plan submitted did not provide for the Metropolitan Planning Scheme Car Parking requirements. The council will approve a revised plan for a cafe, for which parking space is not required under the scheme, subject to a septic tank being approved.

The council approved an application to erect 10 small factory units contained in two buildings at the southwest corner of Chambers and McArthur Roads, Altona North.

Church Plan Refused

Altona Council has refused permission for the Altona West Gospel Mission to erect the old post office in Somers Parade, Altona, for use as a temporary church building.

Council was told a church was permitted in a residential area subject to the consent of the responsible authority, but that adequate parking could not be provided on the site unless existing buildings, a house, garage, two sleepouts and a pigeon loft, were removed.

It was also told that Public Building Regulations of the Health Department would probably exclude the building's prefabricated construction.

Lights Soon

Wiring of traffic lights at the Millers Road-Geelong Road intersection was nearly complete, Cr. W. Sommers told Council last week.

He said the lights would be operating soon.

No Award

Altona Council will make no citizenship award for 1970.

Mr. J. W. Waters, Town Clerk, told council no nominations for the award had been received.

Shopping Centre Plan For Humes Quarry

Altona Council has approved an application by Humes Ltd. to use the quarry site at the corner of Millers and Beuron Roads for a shopping centre.

The site has an area of just over seven acres, and consists for the most part of a 30-ft. deep disused quarry hole.

The company told council it would conduct a market survey of the area if its application was approved by the Board of Works. This would enable it to work out the desirable number of shops.

The company said the shopping centre development would consist of a four-level structure erected on the quarry floor, with the top floor at street level.

The lower floors would contain car parking areas and store rooms, and the street level would consist of a shopping complex and more car parking area.

The site is at present zoned "future open space"

Wants Accidents Investigated

Altona Council will ask the Police Accident Appreciation Squad to investigate accidents in Altona and recommend to council appropriate action which could be taken.

The council will place a barrier strip sign on the nature strip on Millers Road, opposite Mason Street following a report that the fence at Altona North High School has been damaged twice in less than a year as a result of cars being driven straight across Millers Road from Mason Street.

COUNCIL SEEKS A SOCIAL WORKER

Altona Council will ask the Commonwealth and State Governments to make grants available for the training of social workers and to enable councils to employ qualified social workers.

The council will tell the Government of the need for such people and ask it to review the social services system to bring grants up to realistic present-day costs.

The Council will tell the Government it is prepared to play its part in social services if the Government provides finance.

Cr. W. L. Crofts said all councillors had been aware of the need for a social worker for some time. He said no-one could deny that need existed in the community for such work.

He added that Altona had always planned for the future in town planning, health and education, housing, and recreational fields.

"I believe it can't all be provided by the council," he said. "We must face up to it and get more Federal aid to provide a social worker in the community."

"I was told in discussions recently that the chance of us getting a fully qualified person was nil. If the people

are prepared to pay for the service we may get one straight from the university. "In the whole of Victoria at the present time there are only nine social workers and 16 welfare workers."

Appeal Dismissed

An appeal to the Building Regulations Committee by George Wimpey and Co. Ltd. against Altona Council's refusal to issue a building permit for the erection of a building in McIntyre Drive, Altona, has been dismissed, council was told last week.

Council was told the company planned to make further investigations of the site and submit alternative designs.

Gardening

Mr. Norman Boyd, Altona's Superintendent of Parks and Gardens, will attend the Park Administration Congress in Canberra from October 17 to 24.

Approval To Borrow

The State Co-ordinator of Works, State Treasury, has informed Altona Council it may borrow \$450,000 during the next year.

Library Talks

Miss C. Paltridge, Altona's City Librarian, will attend a discussion on regional library proposals, to be held by the Library Council of Victoria on July 24.

On August 1 and 2 she will attend a seminar on Victoria's library resources.

Crossing Stays The Same Type

The Seaholme Primary School crossing in Civic Parade is not used sufficiently to meet Traffic Commission requirements for alteration to a pedestrian crossing, Altona Council was told last week.

A traffic count showed that pedestrian and vehicle movements in the area were far short of the requirement.

The school committee asked council to move the crossing further west or replace it with a pedestrian crossing. Council decided the danger of parked cars obscuring the crossing flags would be minimised if signs were erected to prohibit parking between 8 a.m. and 4 p.m. Monday to Friday.

Approved

An application by Mr. R. J. Barker, surveyor, for a two-lot plan of subdivision at the corner of McArthur and Chambers Roads has been approved by Altona Council.

Council was told one lot would be used for a block of small factories.

Library Tender

A \$52,000 tender has been let for the construction of a new library at St. Paul's College.

President

Mr. J. W. Waters, Altona's Town Clerk, has been elected president of the Institute of Metropolitan Town Clerks of Victoria.

Altona Rotary Changeover Night

The annual Changeover Night of Altona Rotary Club was held on July 4 at the Dorchester.

Reg Higgins, the president for 1969-70, spoke of his year in office and thanked those who had made possible the achievements of the year.

Pie Beecham, the incoming president, thanked Reg for his good wishes and mentioned that he looked forward to working with all the members to make 1970-71 another year of achievement. Jim Mann is the incoming vice-president.

During the evening Reg demonstrated that he is quite an entertainer and Pie is seeking ways to use these talents this year.

On Tuesday, July 7, the new president held a Club Assembly day as an introduction to the work for the next 12 months.

Last week members listened to a tape recording of a humorous play portraying the danger of a Rotary Club living on its past records. This tape had been recorded at the recent conference in Albury. Past President Reg was thanked by Wilbur Yeo, the chairman for the day, for making this recording available to the members.

The speaker at next week's Tuesday luncheon will be Mr. R. A. Burke who will discuss "New Techniques in Dairy Technology."

SEWERAGE AREA

A new sewerage area has been declared in the area bounded by Maidstone and Purnell Streets, Bell Avenue and the Koorringal Golf Course.

Residents in the area have six months to connect their properties to the sewer, then rates will be charged on the properties whether or not they are sewered.

Cr. H. Weaver has asked Altona Council to notify all residents of the area about the declaration.

"The Board of Works doesn't advertise well," he said. "The Board doesn't write to the persons involved, so I would like the council to do so and tell the people what is required of them."

"We often hear complaints from ratepayers that they weren't notified they had to connect."

\$8,000 For Link Road

Altona Council has accepted an \$8000 contribution from Slough Estates (Aust.) Pty. Ltd. towards the cost of a link road between Kororoit Creek Road and Merton Street.

Ethane Pipeline - For And Against

Allegations of harmful consequences have been advanced against the laying of an ethane gas pipeline across Port Phillip Bay. The Esso Standard Oil Company claims to have a rebuttal to each of the points raised.

The Company claims that the design, strength and construction of the 10" pipe line will be at above world standards. All conceivable tests will be applied and monthly inspections on a continuous basis will be made.

Detailed allegations and the Esso Company's response in each case are:

1. "The pipeline would not be a public facility, but would serve only the convenience and economics of large commercial concerns."

"The pipeline will bestow no possible benefit, advantage or compensation to the general public."

The pipeline will carry only ethane gas, derived from natural gas and oil produced in Australia's Bass Strait fields. Previously, ethane has been extracted from imported crude oil. Utilisation of domestic ethane will save considerable foreign exchange. It will be used as raw materials for Victorian manufacturing plants, whose products also eliminate imports and whose operations provide substantial employment to Australians. The project, therefore, is part of the development and efficient utilisation of Australia's natural resources, which can only be to Australia's and Victoria's economic advantage.

2. "Using Port Phillip Bay for undersea gas pipelines is like allowing a company to build a factory in the Botanical Gardens."

This statement is like saying that scallop dredging is like conducting logging operations in the Garden or that shipping in the Bay is comparable to running a freeway through the Botanical Gardens.

The allegation implies certainty of pollutant emissions, for which there is absolutely no foundation in fact. The buried pipeline will be completely out of sight and will not disturb the beauty of the bay, or its surroundings. Nor will the public be deprived of any recreational areas.

3. "The creation of a wide, ethane pipeline easement through public areas of Mordialloc, the Beach Park and the Bay, immediately would create a corridor available for ready future use by other hydrocarbon substances which would cause pollution."

"The free usage of public lands by the pipeline would cause loss of use by the public. The 50-foot easement stated in the original permit has been reduced to 20-feet, but the terms of the original permit will stand."

"The oil companies would receive in perpetuity a licence to use public lands for their own purpose."

The permanent easement as approved by the permit and licence issued by the Ministry of Fuel and Power and Mines is restricted to a maximum width of 10 feet through and adjacent to the public reserves in the City of Mordialloc. This in no way means, that the surface of the land involved will be "off limits" to members of the public in any way, no more than the land over underground utility installations, except during the construction period when a temporary working width of 50 feet will be required. The pipeline permit and licence is for a period of 20 years, not "perpetuity".

4. "Mordialloc will be one of the main sufferers from this damaging and vandalistic project."

The company will not be permitted to use public ground for any purpose but to lay the pipe, with the strict proviso that the land it traverses must be fully restored. There is absolutely no intention, nor will there be permits issued to lay other pipes in the same easement. The word 'vandalistic' is an emotional distortion.

5. "A 10-inch high pressure line is capable of carrying other products besides ethane, including highly toxic and pollutant substances up to the consistency of diesel oil."

No other substance beside ethane is permitted in the line by the licensee, nor is there any intent or purpose in putting anything but ethane through it.

6. "The Department of Mines is being hoodwinked. There is some doubt whether there is anyone in the department expert or capable enough to talk to them (oil companies)."

The Department of Mines personnel are completely qualified and they closely inspect all aspects of design, construction and operations to ensure compliance with all State and Commonwealth regulations. The ethane gas line project can not be undertaken without the approval of these experts, as well as similarly qualified experts of the Public Works Department, the Port Phillip Authority, the Department of Fisheries and Wildlife, and the Soil Conservation Authority.

7. "The ethane constitutes major feedstock in the manufacture of plastics — wrappers, bags and containers to add to the litter problem. Also for fertilisers which are artificial and unnatural."

Ethane is the major component of many plastics, which are without doubt among the most useful, valuable and versatile materials in the world today. To name just a few: vinyl floor and furniture coverings, foam mattresses and pillows, tableware and crockery, water-based plastic paints, butyl rubber and many building materials. It is also a pollution-free fuel like natural gas. To condemn plastics because some people create litter is the same as condemning motor cars because some people drive when drunk. The benefits of chemical fertilizers have been demonstrated and proven in Australia and the rest of the world, but the fact is that neither ethane nor its derivatives is a component of fertilizer.

8. "The State Liberal Party granted permission to an international oil company to trespass (by ethane pipeline) into Port Phillip Bay, which is the major recreation area and psychological relief for hundreds of residents of Melbourne."

It must not be forgotten that Port Phillip Bay is also a major commercial seaport from which Melbourne derives a great portion of its prosperity. Thus, according to this allegation, the Bay is "trespassed" upon by heavy shipping traffic, commercial fishing interests, and other business enterprises, duly licensed under law for their operations. The pipeline is to be under the seabed and will in no way interfere with recreational activities.

9. "The pipeline is a private venture and it is misleading to say the Bay route is a saving of public funds."

The proposal by opponents of this project for a common pipelines corridor around Melbourne states that it should be owned by a statutory authority and administered by that authority as a public utility. This means that the State Government would have to negotiate rights-of-way and pay compensation to some 1,200 private landowners. This would, in fact, involve a great expenditure of public funds which are badly needed for other governmental services.

10. "If the pipelines go ahead there will be catastrophic pollution."

Catastrophic pollution is not possible as suggested, as the product to be conveyed is ethane gas and would neither contaminate nor pollute the waters; nor would it have any toxic effect on the sea life. The trench for the pipe will be opened with a bucket dredge of the type continually working in the bay under the direction of the Public Works Department, Ports and Harbors Division. The dredged material will be removed to an area on the seabed designated by that authority, and, after the pipeline is laid, will be returned to cover the line.

11. "The ethane line will cut across such lands as the Mordialloc Carnival site and one of the finest beaches in Melbourne."

The route, as discussed with the Mordialloc Council, does not traverse the old carnival site, but runs adjacent to it in the projected C.R.B. road easement. The eventual 10-foot pipe easement will not encroach onto the carnival site, although in the construction stage it will be necessary to utilize some of that area. The beach crossing, at a depth of 10 feet, will not be visible shortly after restoration and will cause only temporary inconvenience to the public.

12. "When the pipeline is no longer in use, will it be removed. What will happen to it?"

When the pipeline no longer is required, the decision to remove it or leave it lies with the appropriate public regulatory authority.

13. "The bed of the Bay in the northern area is heavily contaminated (with an oily sludge) and this would be disturbed and spread to nearby beaches?"

According to experts we have consulted and seabed samples taken when the route was surveyed, there is no evidence of contamination near the pipeline route.

14. "Solid clay dredged from the bottom would take weeks to settle and currents would carry it onto beaches, causing discolouration and dirt."

Near the Mordialloc foreshore and for some distance out, the bottom is sand. The only area where solid clay is likely to be encountered by the dredge is in the middle of the bay. Bottom currents and tide flows are so slight that it is extremely unlikely that any clay will reach the shore.

15. "Leaks from the ethane line could cause permanent damage to the bay."

"Free swimming fish could avoid the pipeline area, but the shellfish would die out."

In the unlikely event of a break in the ethane line, shut-off valves at either end and the equalisation of water pressure with that of the gas would stop the leak very quickly. Ethane itself is much lighter than water and, when released in water, bubbles to the surface and is dissipated harmlessly in the atmosphere. Also, it is far less soluble in water than nitrogen, oxygen, carbon dioxide or carbon monoxide. It is certainly not poisonous to marine life of any species.

16. "The pipeline will cross the snapper and scallop spawning grounds and the effects of dredging will be damaging."

There is no fully documented evidence that the pipeline will, in fact, cut through fish or shellfish spawning grounds in Port Phillip Bay. However, if this should prove to be the case, the experts we have consulted believe that the dredging and pipelaying operations will have no lasting effect on the spawning grounds.

17. "They (the oil companies) do not care one iota for Port Phillip Bay."

The assumption that oil companies are callously indifferent to the protection of Port Phillip Bay is false. It ignores the fact that oil companies are composed of persons who value such resources as much as their fellow citizens. It also ignores the fact that failure to give attention to conservation is wasteful, and waste is bad business practice. Consideration for the environment is simply good business practice, and it is ours.

18. "Overseas it is common practice to use gas pipelines for different gases."

This is a mis-statement. It is not practical to operate a gas pipeline with a variety of gases because of differences in physical characteristics.

Newport Amateur Swimming Club

Against strong opposition from Maidstone Club, both clubs recorded two victories each.

Junior girls and senior boys were successful for Newport whilst the junior boys and senior girls were defeated by Maidstone.

The following swimmers won two events each: Clyde Davenport, Theresa Febey and Geraldine Murphy. Ann O'Leary and Alan Preston were the other individual winners.

Entries are now open for the Calderwood Handicap Night to be held on July 29. Closing date is Wednesday, July 22. Graded scratch events are continuing weekly and are very keenly contested.

Commandos wanted

Men with a zest for action...

tough, quick thinking, really fit men with the nerve to try anything, in a team or on their own — parachuting, skin diving, cliff climbing, unarmed combat.

The training is hard, vigorous and demanding and requires brains as well as muscle; at least Intermediate Certificate or better is preferred. The age limits for Commando training and specialized combat duties are 17-29 and all applicants must be able to swim. Training with Commandos comprises one night each week, some week-ends and 14 days full-time training and operational exercises each year. Members receive tax-free pay and allowances for all training and exercise activities.

Clerks, storemen, cooks and drivers are also needed for Commando service at less demanding physical standards. Enlistments close 9 p.m. Saturday 25th July, 1970.

ONE DOOR KNOCK

The Altona Council is moving towards a new position in its attitude to door knocks.

It has asked the Ministers' Fraternal to give consideration to a far reaching proposal. This is that there should be but one charitable appeal in each year, and the proceeds to be distributed as decided by the Ministers' Fraternal.

The extent only, that this would give an opportunity for a direct person to person appeal, the idea is commendable.

But it is certainly not the ideal for a worthy Altona contribution to national charities.

The response to an annual effort for general charity would not compare to that from heart felt appeals for worthy causes.

If four or more door-knocks were permitted, it is an assumption based on some experience that each door-knock would obtain approximately the same amount as the likely total from an annual appeal.

It is no reflection on the Ministers' Fraternal to say they have not been elected by Altona citizens to decide the destination of Altona's charitable donations. If it has to be, it is the prerogative and the province of the Altona Council.

That our criticism should be constructive, we venture this suggestion. Why not let each donor decide for himself (or herself), how his or her donation should be allocated?

The chosen charity or charities could be indicated on a specially printed envelope with clear provision for writing.

LEONIE STOTT MEMBER OF "YOUNG AUSTRALIANS"

Leonie Stott of Bent Street, Altona, is now a member of the 'Young Australians' singing group which in May sang at Expo 70 in Japan.

Later this year the group of 28 singers ranging in age from 16-21 will be touring the Eastern States and next year will probably perform on the continent and in Russia.

Leonie gained her first singing experience with the musical productions presented by Altona High School where she was a student till the end of 1969.

This year she attends a City Business College.

She has studied the piano for six years to 6th grade level.

Last September some 400 were auditioned for the new group, the "Young Australians".

Since then Leonie has been training with them and recently she was awarded a contract.

Members of the group must be outstanding singers, have a sound musical theoretical background and ability to play at least one musical instrument.

The training programme is both strenuous and complete and ranges from physical and vocal training to cultural and language training in advance of any trips to foreign countries.

They rehearse two nights weekly and all day each Saturday.

Engagement

LOYE-SANDILANDS

The engagement is announced of Diane, only daughter of Mr. and Mrs. L. Loye, of Sargood Street, Altona, and Arthur, only son of Mr. and Mrs. R. Sandilands, of Rayner Street, Altona.

Their varied programme includes selections from the musical Hair, Dock of the Bay, Simon and Garfunkel's Feelin' Groovy and a wide mixture of Australian ballads.

Group co-ordinator is ex-seeker Athol Guy and the musical arranger is Johnny Hawker who is regarded as the top arranger in the country.

All money earned after expenses, will be used only for scholarships and educational grants for members.

Another ex-student of Altona High, pianist Jean McQuarrie, also was selected for the Young Australians but she withdrew as most of her time is taken by studies at the Conservatorium of Music.

MISS APEX ALTONA QUEST

(1970)

Miss Apex Altona 1970 is Miss Ellen Barrow.

Miss Altona Charity 1970 is Miss Barbara-Anne Kersley.

Full details of the Quest and photographs will be published next week.

Visitors At Square Dance

There was a party atmosphere at last week's Altona Square Dance, with a large group of dancers from Les Schroder's club, including Les and his wife Pat.

A hearty welcome was given to Russ and Dee from America, who are on a tour of Australia. They met a lot of Altona dancers at the recent Sydney convention.

During the evening, Russ called several numbers and his progressive squares were enjoyed by all.

The Altona Square Dance is held every Thursday night in the Youth Hall, Civic Pde., with dancing from 8 to 11 p.m., to the calling of David Hooper. Ring 398-2708 for particulars.

MUSEUM POPULAR

Over 40 people visited the Altona Museum at the back of the Homestead last Sunday.

Old residents recalled many memories and newcomers learned a number of interesting details. One visitor remarked on the fact that residents live over a vast bed of coal and another described the old trains as a "submarine" type of train.

Others may visit the Museum when it is next open on Sunday, August 16, between 2 and 4 p.m.

21st Birthday

The 21st birthday of Noel Rafferty, eldest son of Mr. and Mrs. N. P. Rafferty, of Blyth Street, Altona, was celebrated at the Rafferty home on Saturday night with a party for Noel's close friends.

During the evening his grandmother, Mrs. G. Synold, phoned her congratulations from Sydney.

R. Withers won 3-0.
B. Warland won 3-2.
B. Smith won 3-0.

B Grade had a bye.

C Reserve (4), 4-12-115, defeated Latrobe, 0-1-65.
H. Wurster won 3-0.
G. Roach won 3-0.
J. Newbury won 3-0.
R. Newman won 3-1.

C Reserve (5), 4-12-108, defeated Sunshine, 0-0-28.
P. Rodger, B. Cox, P. Crocker and A. Cervetto all won 3-0.
C Reserve No. 4 should keep their second position on the ladder behind the No. 5 side.

Russell Newman, playing his second pennant match showed continued improvement to win in four.

Town Cyclists Close To A Win

Over the past three weeks members of the Williamstown and Newport District Cycling Club have performed with credit in the "Casterton 50," "Geelong 75" and "Hamilton 75" open cycling events and judging on their form a Williamstown Open win in the near future would not surprise.

Wally O'Brien finished in the leading bunch at Casterton but had the thrill of seeing his son, Len, who rides with the Footscray Club scoring a victory.

The club's other entries, Leon Constantinou and Tony and Colin Robson all completed the course. Queenslander Geoff Edmonds won the "Geelong 75" while Frank McCaig of Bendigo gained second placing and fastest time.

Leon Constantinou finished with the leading bunch and

Newport Baseball Club

There were 184 people in attendance at Newport's 8th Annual Ball held at the "Fiesta" last Friday night.

Among those present were Williamstown's Mayor, Cr. R. Dawes, and the Lady Mayor, Mrs. Dawes. The Secretary of the V.B.A. and his wife were also in attendance.

On Saturday morning the Under 15 team won their way into the grand final when they beat Port Melbourne. They play the winner of the Port Melbourne-Sunshine game for the flag on Saturday week.

All supporters of the club are asked to attend to give the lads a boost as they try to win Newport's first premiership for the season.

Luck was not with Newport on Saturday afternoon when the A Team played themselves out of any chance of making the four with a dismal performance against Flemington.

As in previous weeks Newport allowed the opposition to get on top early and they were not able to regain the upper hand to lose 7-4. Best: J. Young, J. Merri-man.

B Team
This side struggled to get on top all day and they only did so in the last innings.

Newport did not show the form which has taken them to the top of the ladder and with the finals only four weeks away it is to be hoped they regain top form soon. Newport won 4-3.

C Team
This side is starting to hit its straps at the right time in the season and they had a convincing 21-4 win over Flemington.

Wally O'Brien and Tony Robson both finished.

Last Saturday at Hamilton, where Frank McCaig won with fastest time honors, the local entries were forced to retire following a severe snowstorm.

This coming Saturday the club race will start in Sneydes Road at 2 p.m.

THE CURTAIN RISES

BY THISBE

For the first time the Theatre was used for a performance by a private company "Theatre Arts" to stage Jason Savage's one-man show, "The Fun House of Edgar Allan Poe."

Several very successful functions were organised by the Social Committee to assist the Building Fund.

The Treasurer, Mr. Ivor Porter reported that financially the theatre had done well during the year. He also told the members that the present progress in raising money to purchase the building was ahead of budget.

Mr. Graham Murphy is our new president with Joyce Mitchell Hon. Sec., Nell Colville, Hon Assistant Sec., Vice Presidents Vin Foster, Ivor Porter, Doug Lindsay, and Doug Lownds.

While all this was proceeding "The Duenna" was in production.

Last Tuesday night a champagne and chicken supper was held at the theatre by a group of Mrs. Winfield's friends from Union Carbide.

They thoroughly enjoyed themselves and there is still a chance for you to see the show they enjoyed so much. You won't get a chicken with your ticket bought from Mr. E. S. Marr's Music Shop, but we can supply hot coffee and biscuits.

If you want a certain night, please remember that there are often cancellations — so ring the theatre on 397-6705 after 7.30 p.m. and be ready to run because we do not let people in after 8.15 p.m. We can't have you disturbing the players and audience.

Of course it does not matter how busy we are, the show must go on and we

are casting for "Five Finger Exercise" by Peter Shaffer. This play is to be produced by Robert Karl, so come along and make him feel wanted on Sunday, August 2 at 2 p.m. at 2-4 Albert Street.

If you have a need for an activity outside your home, and yet are not keen to take part in a major production, perhaps you would like to take part in our theatre workshop which will be held one night a week with Peter Curtis in charge.

You can meet Peter on August 2, or if you cannot attend then you can ring Peter Curtis on 314-0799, extension 23 or Dorothy Porter on 397-7345 for further information.

Camera Club Competition

Results of the monthly competition held by the Altona Camera Club, "wet weather", were announced last Friday at the last meeting. They were—

BLACK AND WHITE: 1st, Stan Baker, 2nd John MacMillan; COLOUR: 1st John MacMillan, 2nd John MacMillan.

Competition entries, in future, will not be handed in until the last Friday of each month, with results being announced at the following meeting.

The August competition has been cancelled because of a photographic exhibition being held in mid-August.

The Camera Club's next meeting, an open night, will be this Friday, July 24. For any information please ring 398-1937.

Historical Society Plans Display

The monthly meeting of the Altona Historical Society was held last Wednesday. Several items of correspondence were received, including a letter from Mount Beauty which enclosed a copy of a land advertisement issued by an estate agent in the late 1920's. This item will most likely be on view in November when the Society holds its display on "Land Development in Altona".

The annual meeting of the Historical Society on August 19, will begin at 7.45 p.m., and be followed by a general meeting at which the display for April 1971 will be discussed.

If any resident would like to become a member of the Historical Society and they cannot attend meetings, would they please contact the secretary on 398-2090.

C.W.A. Social

A social day for the Altona branch of the Country Women's Association will be held on Monday, July 27, at 1 p.m., at Mrs. Vi Wilson's home, 100 Maidstone St., Altona. Her phone number is 398-2493.

This day will be Association Day and all proceeds will be paid into the CWA Building Project.

SWINGING WORLD

With RON COLEMAN

WHY NOT TRY JAZZ?

If you are sick of the depressed state
of the pop industry and the low standard
of music that is being played by groups,
maybe you should turn to jazz — modern
jazz that is.

Last week I attended the
first of a series of Wed-
nesday "jazz nights" at the
Piccolo Mondo Bistro in
Bourke Street.

The opening night was
very impressive to say the
least.

Representatives of the
press and guests of the
owner Dante Buonar were
treated to a medley of mod-
ern jazz numbers by the
Brian Brown Quartet.

Wine was abundant be-
cause Dante makes his own.
So it was little wonder that
the bistro was so packed.

The evening was high-
lighted by a recital of mod-
ern poetry to music by
Melbourne poet, Russell
Deeble.

Background music for the
poetry was provided by
Keith Hounslow on flugel
horn and Brian's quartet.

Keith flew down from
Sydney for the night.

Guests on the opening
night included Mike Jeffries
from 3XY, Issy Dy, Vera
Kass-Jager and the crew
from Go-Set.

On normal Wednesday
jazz nights the charges
will be \$2.50 a head for
a smorgasbord meal incor-
porating over 35 different
dishes.

You may eat as much as
you like all night but if you
want wine you must bring
it yourself.

The music is first class
because with jazz groups
like the Brian Brown Quar-
tet, all the members have
been playing for years and
most of them play for a
television orchestra.

So if you dig modern jazz
I can recommend the Pic-
colo Mondo. But what a pity
it is only on a Wednesday
night.

The rumour is that if the
Wednesday jazz nights
catch on, jazz may be
featured three nights a
week.

Musicians are invited to
call in late after engage-
ments and "jam on" with
whatever band happens to
be playing at the time.

More News From The Exchange

Sandy Edmonds and the
Climax are coming to Mel-
bourne on July 26.

This great group is being
brought down from Sydney
by Ray Evans of the Aus-
tralian Entertainment Ex-
change.

They are from New Zea-
land, but you may have
seen them on a recent series
of Channel 2's GTK.

And the Entertainment
Exchange is doing its best
to keep the Melbourne
scene alive by bringing
groups from other States.

The Carousels from Adel-
aide are a three-piece girlie
group that concentrates on
Supremes' material.

And then there is the
Lotus from Sydney. But I
cannot comment on this
group because I have never
seen it live or on television.

But I simply cannot wait
to hear that new LP by
Aesop's Fables. Hope Ray
sends me a copy to review
(hint, hint).

Because I feel that the
Fables are probably one of
the few groups in Australia
at the moment that has a
future.

ALTONA REBEL'S REPORT

After trading his boots at
the local, one-man corrobo-
ree, Merv, has taken up
boomerang-throwing pro-
fessionally. Would you be-
lieve Boomerang Man?

Gayle and Kay have been
keeping Jock and Pratty out
late on Saturday night.
They will have to stop this,
if the Rebels are to be vic-
torious in the finals.

Rebels need a new bus.
Alec's car cannot take all
the weight.

After being coaxed by
the Wild Bunch on Saturday
night, Alec returned to the
Rebels. "Good on yer, mate".

Jock loves his "orange
chunders". Pity he never
had a safety pin to keep
them up.

Happy birthday, Les.

Behind The Scene

Marty Kristian (still in
the New Seekers) sends his
love from London.

It's all happening in Syd-
ney now. But even there,
groups are breaking up. It's
farewell to Mecca and
Taman Shud.

Certain promoter at Box
Hill is very hard to get on
with. No wonder the pop
industry is in such a de-
pressed state.

Issy Dy did not like hav-
ing paper thrown at him
at the Youth Hall Dance on
Saturday night.

Mike Jeffries may be
starting a new show on 3XY
and word has it that he may
open a few dance venues
around town.

Don't forget to rock over
to Cucumber Castle on the
2nd of August to see the
new style WAREHOUSE.

Gossip

Andy Skelley and Wally
Boyd spent about two hours
on one corner of Pier St.
last Saturday morning.

And they met so many
people.

Andy narrowly missed out
on winning the grand final
in pool at the Working
Men's Club last week.

And in case you did not
know, Skel is off to England
to see his relatives on Aug-
ust 1. What will we do with-
out him?

Tommy won a record at
the Youth Hall last Satur-
day.

Wally and Barry still play
for Spotty.

Mick C. seems to hitch-
hike everywhere.

We have been informed
that a black ban has been
placed on Stinky. Who is
Stinky anyway?

Are there any Skinheads
in Altona? If so, please con-
tact the "Star" for a part
in "Hair".

Don't forget those book-
ings Sue and Julie.

Please no more anony-
mous phone calls.

Who were those two
young lasses who came all
the way from West Heidel-
berg just to see Issy Dy?

Seen in a central position
recently were Keith and
Bob and company.

Tommy reports of parties
at Castlemaine.

No trouble at all at the
dance on Saturday night.

Would you believe that's
twice in a row?

Ingrid was spotted at the
Totty when Pat Carroll ap-
peared the other week.

Foreshore Parking

Mr. J. T. Rees, Williams-
town's City Engineer, has
been instructed to mark out
a proposed parking area on
the Strand foreshore for
members of the council's
Traffic Committee to in-
spect.

Provision will be made
for single car entry and exit
lanes at either end of the
area to ensure an orderly
flow of traffic leaving and
entering the Strand.

Trees

Williamstown's Superin-
tendent of Parks and Gar-
dens will plant three trees
in selected positions on the

NO ADDITIONAL FACILITIES FOR MOBILTOWN STATION

The peak period railway service to Altona is the maximum that can be offered on the line, but it is adequate for the number of passengers and there is no justification for additional facilities at Mobiltown, the Railways Commissioners recently advised the Acting Minister of Transport, Mr. John Rossiter.

Following enquiries regarding the line from the Hon. A. W. Knight, MLC, Mr. Rossiter contacted the Commissioners.

They advised that a special review of passenger traffic on this line was recently undertaken and it showed that the present frequency of trains adequately catered for the patronage offering.

Mr. Rossiter said he understands that during peak periods the service is the maximum that can be provided.

Some of the carriages used on the line are old and the Commissioners are anxious to replace all old carriages as soon as they can, said Mr. Rossiter.

The Railways recently entered into a contract for the supply of a number of new suburban trains and, Mr. Rossiter believes, that all older carriages will be replaced as soon as sufficient new trains can be put into service.

In the meantime, the Commissioners have made assurances that the Altona line carriages will continue to be regularly maintained and that they will do all they can to keep them in a satisfactory condition.

Regarding Mobiltown railway station the Commissioners said it is not the practice to provide toilet facilities at stations where passenger traffic is light and this is the case at Mobiltown. The Commissioners also pointed out that present traffic only justifies the station to be manned by a station assistant for approximately two hours each week day morning. A septic toilet has been provided for his use and it is available to any passenger travelling from the station.

The position at Mobiltown will no doubt be kept under review, however, in all the circumstances, the Commissioners feel that there is no justification for additional toilet facilities there at present.

Abattoirs For Derrimut?

The future of the proposal to develop an abattoir area at Derrimut is not clear, advises the Minister for Local Government, Mr. R. J. Hamer.

He was commenting on questions asked by the Hon. A. W. Knight concerning the future of the Special Uses Zone. The questions were based upon the proposed site for a new abattoir complex at Derrimut.

Mr. Knight was making the representations on behalf of the Western Suburbs Municipal Association.

Mr. Hamer said he has "discussed this matter with the Board of Works, and it is under full consideration in the light of the State Development Committee recommendation, in connection with the current study and report, on which the Board is engaged, on the future growth of Melbourne. The Board is hopeful of completing this study within a few months, and the potential future of the Derrimut, as of other areas on the outskirts of the present urban development will then be clearer, and firm decisions can be taken."

Discharging Industrial Wastes

"The discharge of industrial wastes and offensive substances into streams and the bayside area contributes significantly to the threat of water pollution," said the Board of Works Secretary, Mr. W. Bromley, last week.

"Therefore," he said, "it is important that the Board of Works position as the authority responsible for the maintenance and improvement of metropolitan rivers, creeks and watercourses should be made quite clear."

Mr. Bromley said, "The Board's Act and By-laws do not give it any power to approve, or disapprove of the discharge of trade wastes to streams for which it is responsible. The Board's powers are limited to action only after an offensive discharge has occurred."

"Any industry wishing to discharge directly or indirectly into any stream must make application to the Department of Health, as required by Section 82 of the Health Act, and that Authority can issue permits for such discharges after it has referred the applications for comment to the Fisheries and Wildlife Department and the relevant Drainage Authority, e.g., either the Board, the Dandenong Valley Authority or the State Rivers and Water Supply Commission, depending on the catchment concerned."

"The industry would have to satisfy the Department of Health that its proposed treatment apparatus was adequate to ensure that the effluent will conform to the accepted quality requirement for discharges to streams before a permit would be issued. Not many such permits have been issued in the metropolitan area."

Pollution of streams and drains in the metropolitan area is frequently the result of industries with offensive wastes establishing themselves in unserved areas.

The Board undertakes at intervals inspections of the streams and main drains for which it is responsible and, where pollution is detected, efforts are made to trace the source.

"In most cases pollutants enter the Board's streams and drains from Council drains and the Board often needs Council assistance to locate an offender."

"Pollution starts with the individual members of the community, and its effective control will only be achieved when full co-operation within the community exists."

School Sports

Williamstown and Altona District School Sports Association has been granted the use of Williamstown Cricket Ground on September 29 for the annual athletic sports.

The Mayor, Cr. R. Dawes, and the Town Clerk, Mr. J. E. Morley, have accepted invitations to attend the sports, which start at noon.

The Association has also been granted the use of Newport Cricket Ground on the afternoon of September 25 for jumping events.

Yarraville and District State Schools Sports Association has been granted the use of Newport Cricket Ground on September 28 for its annual combined sports.

WEST NEWPORT HOLD CENTRAL ALTONA

West Newport were lucky to win from a determined Central side. Centrals came to within five points of West in the last term, but poor shots for goal allowed West off the hook. This was an excellent game of high standard, the dry ground and ball allowing both sides to keep the ball moving.

Centrals had first use of the breeze but West Newport's defence stood firm. It was not until late in the quarter when Centrals notched their first and only goal for the quarter.

West Newport quickly went into attack in the second quarter to put their first goal on the board. Centrals played well into the wind to score goals through Jeff Lott and Rex Cole. West again took the initiative and were two goals ahead at half time.

The third quarter saw good play from both sides. Centrals were eight points behind with a freshening breeze to kick into in the final term.

This quarter was played at a furious pace with Centrals dominating the first half of the quarter.

Against the breeze Centrals matched West goal for goal and had opportunities to gain the lead.

Centrals run ended after three poor shots for goal and West attacked persistently and scored a goal which sealed the match.

FINAL SCORES: West Newport 11-18-84 d. Central Altona 10-10-70.

GOALS (Centrals): A. Evans 3, R. Cole 3, J. Lott 2, B. Trevean 1 and R. Smutney 1.

BEST: M. Sayers, O. Stumbras, W. Kennedy, M. Laurrin and J. Lott.

Williamstown CYMS Football Club

FIRSTS DOWN TO THIRD SIDE

First Quarter
The game was played in the worst conditions seen this season and Town found it difficult to adapt. This quarter was a hard-slogging affair and turned into a battle of the backlines. Mentone were a little ahead on general play for the term.

Scores: Williamstown, 1-0-6; Mentone, 2-1-13.

Second Quarter
Town started the term quite well and seemed to be playing better. Mentone came back in the latter part of the term to equal scores for the quarter.

Scores: Williamstown, 3-3-21; Mentone, 4-4-28.

Third Quarter
This term was all Mentone's. Town did not have a clear winner on the field. But for an inaccurate display by Mentone's forwards the difference would have been much greater. This was the worst quarter put together by Town this season.

Scores: Williamstown, 3-4-22; Mentone, 8-11-59.

Final Quarter
Town were a revitalised side and tore into attack with great enthusiasm. With ten minutes to go the difference was only six points and it looked as though the players would pull the match out of the fire. However, the effort had been too great and Mentone steadied in the closing minutes of the last quarter.

Final scores: Williamstown, 8-5-53; Mentone, 10-12-72.

Best: John Zammit, D. Wilkie, P. Vaughan, D. Jones.

GOALS: D. Jones 2, P. Zamykal 2, B. Norton, D. Wilkie, B. Moore, G. Smith.

SECONDS IN POOR DISPLAY

First Half

Town started off poorly and the opposition had a vast majority of the play in the first term. It was not until ten minutes in the sec-

Holy Trinity Football Club

In their matches at home Holy Trinity's Under 12 and 15 teams easily eclipsed the two last sides, Montport YMCA and Yarraville Combine.

A feature of the Under 15 team's crushing win was the brilliant display by captain Mick Lomas at full forward. In scoring 14 goals he broke the previous record established by present South Melbourne Seconds player Bruce Davis with 13 goals in 1966.

ond quarter that Town managed to post their first goal. The players were very lethargic in the first half and seemed to lack interest in the match.

Half-time scores: Williamstown, 2-6-18; Glenroy, 5-9-39.

Second Half

After a "roasting" by coach Kevin Rosser, Town came out a different side. Players tore into the fray and played as a team. However, poor kicking for goal prevented our players from wrestling victory from the opposition.

Final scores: Williamstown, 6-15-51; Glenroy, 8-13-61.

Best: G. Bunting, C. Hill, L. Rosser, N. McGinness, J. Dey.

GOALS: G. Bunting 3, C. Hill, K. Halley.

SPOTSWOOD FOOTBALL CLUB

A GRADE

Playing at ICI Deer Park, Spotswood played poorly for three quarters but in the last quarter finished on too strongly to win by 12 points.

The consistent, determined play of their opponents had Spotswood worried and only Spotswood's greater experience saved the game.

Scores: Spotswood, 10-15-75; ICI Deer Park, 9-9-63.

GOALS: Ham 3, McGarity 2, Self, A. Hewet, Lee, Biddick, Kirwan.

Best: Ham, McGarity, Lee, Nicol, Cody, McDonald, Weedon, Granger.

A RESERVE

Playing home to ICI Deer Park, Spotswood played good football to beat their opponents quite easily. Spotswood had a match-winner in Graeme Budgen, who kicked 9 goals.

Scores: Spotswood, 19-19-133, d. ICI Deer Park, 1-7-13.

GOALS: Budgen 9, Jones 3, Stevens, Prismall, Melhuish, Lee, Cairns, Boyd.

Best: Browning, Chapman, Dickenson, Jones, Melhuish, Budgen.

UNDER 18

Playing Footscray on the Footscray Oval, Spotswood had a hard, rugged, even game up till three-quarter time when scores were level.

In the last quarter Spotswood broke away from their opponents to finish on strongly to win quite comfortably.

Scores: Spotswood, 13-10-88; Footscray, 7-6-48.

GOALS: Lelkes 3, Norris 3, Thomas 2, Matthews 2, Stevenson 2, Reidy.

Best: Barresi, Moore, J. Iaccarino, M. Iaccarino, McTaggart, Page, Reidy, Tiki-takis.

UNDER 16

Spotswood played brilliant football for four quarters to easily defeat Our Lady's Maidstone.

Scores: Spotswood, 47-29-311; Our Lady's Maidstone, nil.

GOALS: Scott 13, Bright 13, Cottee 5, Rich 4, Walker 3.

PRIMARY SCHOOLS SOCCER

Last week the halfway mark was reached in the League rounds of the primary schools soccer and East finally made two points by defeating West 3-nil. East have been playing very well but just couldn't get those elusive goals, but on Sunday it was a different story. They all played well and it was hard for the coach of the opposing team to choose the three best players — M. Sokic, I. Sokic and J. Dimitriov.

West also played well and given time will be a team to be reckoned with. Best for West: G. Evans, R. Disani, C. Richie.

Altona, nil, lost to Seaholme, 1.

Once again this was a hard game. Altona and Seaholme have always been rivals since the League started five years ago and last week's game was a hard one. Seaholme scored a good goal and Altona once again had a hard fight but just couldn't score.

Best for Seaholme: P. Scarlet, A. Hadzic, Howden.

Best for Altona: M. Vanderpool, M. Drew, G. Rowe, P. Neyland.

Altona North had a bye.

Parents are requested to remember the dates August 2 and 9. On these dates the Education Cup will be played. All parents are welcome to attend.

A big thank you to all the parents who are turning up to watch these games every week and a special mention to the mothers who are washing the "stripes" every week. Their efforts are greatly appreciated.

Harley 3, Couch 2, Warne 2, Powell, McCracken.

Best: Scott, Bright, Walker, Cottee, Powell, Couch, Harley.

UNDER 14

Away to St. Paul's, Spotswood proved too strong to win convincingly.

Scores: Spotswood, 15-15-105; St. Paul's, 3-4-22.

GOALS: John 6, Prytherch 4, Cameron 3, Scott 2.

Best: Caldwell, Cameron, John, Sandells, Scott, Nancarrow, Prytherch.

Newport Methodists Football Club

Newport Methodists, appreciating the firm ground conditions, displayed excellent form throughout the match to completely overwhelm a tenacious Jolimont United side by over 30 goals last Saturday.

Newport produced several outstanding passages of play and with the forward line functioning exceptionally well went on to record one of their biggest victories for the year.

Scores: Newport Methodists, 35-24-234; Jolimont United, 8-5-53.

Goals: R. Rowe 10, Neville 5, Harris 5, Rowe 4, Miller 4, Jones 2, E. Rowe 2, Johnson, Roberts, Grimmett.

WESTGATE JUNIOR RUGBY

RESULTS of games played on Saturday, July 18, in the Westgate Junior Rugby Union competition are as follows—

UNDER 12

Williamstown Technical School 0 lost to Sunshine Technical School 11.

Sicknesses prevented WTS from fielding their usual team.

Williamstown / Altona Ramsdens 3 drew with St. Paul's Primary 3.

Playing at the Strand Reserve, Newport, the Ramsdens were not able to topple SPP and ran out the second draw against them.

Both teams were keen to gain a deciding point and good ball handling, running and strong attacking play was matched by determined tackling, which would shame some of the more senior teams.

UNDER 14

Altona North Technical School 11 won from Williamstown Technical School 0.

This technical win by forfeit was followed by a game between ANTS U-14 and WTS U-14 and U-16. A strongly contested game ensued with WTS having a win by one goal.

SCORERS: WTS, P. Robinson 2, S. O'Sullivan 1 try, S. O'Sullivan 2 goals. ANTS A. East 2, J. McKendrick 1 try, J. McKendrick 1 goal.

UNDER 16

Altona North Technical School had a bye.

UNDER 18

Footscray 0 lost to Army 38.

Playing at Footscray Park with three key players compulsorily not playing because they had to stand down from Saturday's game for the Interstate game on Sunday, Footscray used U-16 substitutes who had already played their own games before and were no match for the strong Army side.

Victoria 11 lost to South Australia 13.

Peter Roderick (Footscray) was the outstanding Victorian player at Olympic Park on Sunday and put down a try after a brilliant run through the SA backline. A second try by Roderick was disallowed.

NEXT GAMES

Games for Saturday, July 25, are as follows—

UNDER 12

WTS v. Ramsdens at The Strand at 9 a.m.; SPP v. Sunshine at The Strand at 10 a.m.

UNDER 14

ANTS v. STS at Langshaws Reserve at 10 a.m.; SPC v. WTS at St. Paul's at 10 a.m.

UNDER 16

WTS v. Box Hill at Box Hill at 11 a.m.; ANTS v. Nunawading at Langshaws Reserve at 11 a.m.

UNDER 18

Footscray v. Power House at Middle Park at 12 noon. Sunday, July 26, at Footscray Park at 10 a.m.—

Selection games for teams against Eastwood and North Balgowlah from Sydney for U-12, U-14 and U-16.

WESTERN SUBURBS TABLE TENNIS

A GRADE

Liston-Esplanade (K. Lambert, D. Fowler) produced their best form for the season when they were narrowly defeated by Williamstown Colts, 6-5, in Round 11. Steve Slattery continued his fine form, winning all three rubbers. Dave Fowler and Kevin Lambert returned to form, winning 2 rubbers each and combining to win a doubles.

Bodingtons (L. Loone, A. Coustley, J. Garvin) remain in top position following their comfortable 9-2 win over Kingsville (J. Montgomery, T. Viess). Alan Coustley and Ted Viess were undefeated in singles play and Ted Viess won one rubber for Kingsville.

Maribyrnong (F. Kovacs, D. Jones, J. Lawler) retained second position when they outpointed Centre 9-2. Frank Kovacs starred for Maribyrnong, winning 3 rubbers and Dick Ross turned in a fine performance to defeat Jack Lawler and Des Jones.

The Western Suburbs team of Max McGavin, Robert Brookfield and Daryl Goucher were eliminated in Round 2 of the current Atlas Shield competition when they were narrowly defeated, 6-5, by Insurance. Robert Brookfield turned in his best performance for some time to win all 3 rubbers. He was ably supported by Max McGavin with two rubbers.

The turning point in the match came when McGavin and Brookfield were narrowly defeated in the doubles 21-16, 17-21, 24-22.

B1 GRADE

A depleted AGM (L. Evans, D. Faust) were defeated by a much improved F&T. Carports, 8-3, but still retain top position from Brooklyn. Ray Blythman, who at present is recovering from a serious illness, should be back in action again for AGM within three weeks.

Westerners turned in a creditable performance to defeat Brooklyn (B. Watson, R. Hewitt) 8-3. All three players — Max McGavin, Frank Brown and Daryl Goucher — won two rubbers each whilst for Brooklyn Barry Watson starred, winning 3 rubbers in fine style.

Centre (J. Wylie, D. Doyle, T. Nichols) kept their finals hopes alive when they comfortably defeated Avondale Height Youth Club 10-1. Jack Wylie and David Doyle won 3 rubbers each and were well supported by Tom Nichols who produced his best form for the season to defeat Bryon Scott and Ivan Gribble. Avondale's only winner was Robert Brookfield who won one rubber.

B2 GRADE

Ballarat Rd. Methodists (R. McInnes, A. Richardson, D. Woodyard) retained top position when they defeated F&T. Carports 8-3. Robert McInnes continued his unbeaten run with another 3 good wins and he was ably supported by veteran Alby Richardson who also won 3 rubbers. Sam Psaila was F&T's only winner.

An improved Goodrich Chemicals (A. Gittens, K. Weston, D. McLaren) nearly caused an upset when they were narrowly defeated, 6-5, by Rheem who retain fourth position as a result of their win. Wally Stys, in match-winning form for Rheem, won all three rubbers and was ably supported by Wolf Kinder with 2 wins. Alan Gittens was Goodrich's best player, winning 2 rubbers. This match produced the closest possible win in table tennis — 6-5, 15-15, 557-557.

B.A.T. (A. Clarke, T. Flynn, B. Flynn) had a good 7-4 win over Seaholme. Andy Clarke and Brian Flynn won 2 rubbers each for B.A.T. whilst for Seaholme Brett Marlow and Ted Simmons also won 2 rubbers each. Reckitt & Colman (J. Jennings, E. Powell, A. Evans) were untroubled to defeat W. G. Goetz 10-1. Ted Powell and Alan Evans won 3 rubbers each and Theo Molz won Goetz's only rubber.

C1 GRADE

Kingsville YMCA provided the upset of the season when they defeated the previously undefeated leaders of C Grade Grieve Highway, 7-4, to retain second place on the ladder. Chris Thomas was in unbeatable form for Kingsville, winning all 3 rubbers, and for Grieve Highway Gordon Lewis and Neil Wynn each won 2 rubbers.

A depleted Outlaws team (Wal Burkett, Frank Bissett)

struggled to a tight 6-5 win over fourth-placed team Reckitt & Colman to retain third position. Wal Burkett, in great form, won 3 rubbers and was supported well by Frank Bissett with 2 rubbers. For Reckitt, Edd Drewry, Pat Berry and Bob Wendt each won one rubber, and Reckitt hold their place in the four by a small margin.

Explosives played their best game of the season to defeat Oliver Davey's prospects of reaching the final four by defeating them 8-3. D. Adams and Greg Foran were undefeated in singles for Explosives and Dave Cole and Dale Liston won one rubber each for Oliver Davey.

Snappers (Paul Morris, John Catchpool, Barry Smith) received an 11-0 walk-over from Basin Street to keep their slim finals hopes alive.

D1 GRADE

Both Avondale Heights Community Youth Club's teams (1 and 2) clashed in Round 11 and Avondale No. 1 were the winners at 8-3.

Newport Post Office (Col O'Brien, John Freeburn, Ron Dalrymple) had an easy 9-2 win over F.E.W. (Ron Fowler, Eugene Tabaka, Col O'Brien) was undefeated in singles play for Post Office and for F.E.W., ever reliable Ron Fowler won 2 rubbers.

Union Carbide had an easy 8-3 win from a two-man Ballarat Rd. Methodists team to stay within sight of the final four. Harry Hepburn starred for Union Carbide with 3 wins and for B.R.M., P. Annear won 2 rubbers.

The strong McKenzie & Holland players won 2 rubbers each and for Brooklyn, youthful John Zgudka was in brilliant form, winning all 3 rubbers.

D2 GRADE

Williamstown Youth Centre (Barry Harrison, Frank Milton, J. Falzon) were too strong for St. Mary's C (George Cassar, N. Falzon, Holger Skrock) and won 11-0. Newport Post Office held second place with a percentage-boosting 11-0 win over Australian Glass.

Esso Tigers "A" provided the upset of Round 11 in D2 when they downed Esso Tigers "B", the third side, 7-4, in what was their best win for the season, and are now only one game out of third place. Jim McKenzie and Stephen Brown paved the way to victory, each winning 2 rubbers for Esso "A" and for Esso "B" Joe Ricketts won 2 rubbers.

E1 GRADE

E. T. B. and H. Bertram continued their winning run when they crushed St. Mary's "A" 11-0.

St. Andrew's Footscray Cricket proved too accomplished for Seaholme and won 10-1 to consolidate second place.

Ixer Social Club ousted Seaholme from fourth place as a result of their 7-4 win over Triangle, when Alan King won all 3 rubbers, including a win over top player George Holowko of Triangle.

St. Albans, with only two players (Stephen Fellows, Terry Ryan) did well to defeat St. Mary's "B" 6-5.

WESTERN SUBURBAN FOOTBALL LEAGUE

Centrals Fail by 10 Points

Central Altona (fourth) almost caused the upset of the season when they went within 10 points of beating leaders West Newport in the fifteenth round of Western Suburban League football last Saturday.

Down eight points at the last change, Centrals crept to within five points, although kicking against the breeze, but two misses in front by Alec Evans and Michael Lawrinn proved costly. West Newport came back strongly to run out winners 11.18 to 10.10.

Again some very high goal tallies were registered in the Under age sections. Altona A and West Newport (Under 18) and Williamstown (Under 16) each kicked more than 29 goals in big percentage boosting wins, while Newport, also in Under 18 kicked over 21 goals.

In other open age matches Newport had a 70 point win over RAAF Point Cook after 7.9 to nil in the first quarter.

Cliff Sanderson kicked six goals to take his tally to 35 in the past four games, while ruckman Ron Martin notched five.

In a battle of the backlines Maidstone were only five points up at half time against lowly Brooklyn, but rallied to score by 13 points.

Winger Richard Zapart and Captain Del York were two fine players in Altona's easy win over Laverton which was spoilt by shockingly inaccurate kicking. Full forward Gary Munro was the main offender, with 4.8 in Altona's tally of 10.24.

But Laverton were not disgraced and played the game out to the finish.

Werribee took the points over Williamstown United, but the losers were handicapped by having only 17 men from three quarter time.

Young Williamstown United ruckman K. Hill gave an excellent exhibition of high marking and ruckwork, while a last minute inclusion in Werribee's side was John Arbaci, whose flight to America was postponed. He was due to leave last Sunday.

In Under 18's Wayne Patton (8) and Harry Van Dyke (7) again scored heavily among the goals for Altona A.

Ralph Saegi with 11 goals off his own boot was instrumental in Newport's big win, but Under 16 youngster Frank Callus was still judged best on the ground.

In Under 16's leaders Williamstown annihilated West Newport despite the fact that regular coach John Raffle was absent from the game.

Raffle collapsed at his work on Friday and was unable to take charge of the team.

Big ruckman Jim Hynes stood out as one of the two best players on the ground, and he looks to have a mortgage on the WSFL Under 16 best and fairest award.

Altona ran out winners by 33 points against Devon Park with rover Ken Churchill again prominent with six goals.

Altona's Peter Rosenboom figured in an accidental clash of heads during the match and had to be treated for concussion later in the day.

OPEN AGE

West Newport 11.18.84 d. Central Altona 10.10.70, Maidstone 12.17.89 d. Brooklyn 11.10.76, Newport 19.17.121 d. RAAF Point Cook 7.8.50, Altona 10.24.84 d. Laverton 1.5.11, Werribee 12.14.86 d. Williamstown United 6.11.47.

West Newport's stars were M. Clancy, B. Johnson, G. Johnstone 2 and R. Pitt, while other scorers were J. Taylor, 3, I. Fleming 2, A. Bottomley, R. Parsons, B. Broughton and G. Broadfoot.

Good performers for Central Altona were M. Sayers, O. Stumbras, W. Kennedy, M. Lawrinn and J. Lott 2, while other scorers were A. Evans 3, R. Cole 3, B. Trevean and R. Smutney.

Maidstone's best were P. Heard 2, G. Rankin 2, T. Neal 4, K. Fisher, M. Berg and K. Archensaw, while other scorers were W. Webb 2, T. Challis and P. Jeanes.

Outstanding players for Newport were J. Bester 4, R. Martin 5, R. Coleman, A. Stewart 1, W. Woods 2 and C. Sanderson 6, while J. Evans also scored.

Brilliant players for Altona were R. Zapart 1, D. York, G. McColl, V. Pateras A. Malloy 3 and R. Schwabe, while other scorers were G. Munro 4, J. Riley and S. Chatfield.

Hard battlers for Laverton were J. Pyne 1, K. McKenzie, J. Thompson, A. Shepherd and K. Ferguson.

Werribee's stars were R. Reidy 3, G. Martini 1, B. Richards, G. King, A. McNamara 1 and J. Edwards, while other scorers were R. Brown 3, M. O'Malley 2, R. Arnott and J. Arbaci.

Good Kickwinners for Williamstown United were K. Hill 1, B. Stewart 2, S. Maddox 1, J. Allan 2, P. Surace and G. Sheriffs.

UNDER 18

Altona A 29.20.194 d. Central Altona 1.1.7, West Newport 29.18.192 d. Laverton 2.6.18, Newport 21.20.146 d. Altona B 6.7.43.

Altona City Football Club

UNDER 18

Altona City "A," 29-19, d. Central Altona, 1-1.

Central Altona played with 17 men all day but were still boring in at the final bell. City's skipper, Ron Gordon, won the toss and kicked with the strong breeze towards the lake end. Within a minute Harry Van Dyke had the first of his 7 goals for the day on the board. The first quarter was by far the best for Altona as there were plenty of spaces on the forward line which gave the forwards plenty of room to score which resulted in 12-2 for the 28 minutes of play.

In the second quarter City scored 4-5. Altona were playing better football than last week and not many players were caught flat-footed in a fast, flow-on game with the rucks, rovers and flankers making position well.

Stephen Showell and Wayne Oates came on at three-quarter time and wasted no time in coming under notice.

Goals: W. Patton 8, H. Van Dyke 7, S. Chatfield 6, S. Grainger 2, G. Wilson 2, J. Rosenboom 2, K. Dearn, G. Morgan.

Best: R. Gordon, S. Grainger, W. Patton, S. Chatfield, E. nzo Valente, G. Morgan.

Newport, 21-20, defeated Rebels, 6-7.

The game, played at Newport, was fast, and Newport proved to be too strong for Rebels who lacked height and team spirit this week.

Goals: Churchill 3, Beer, Nowells, Roest.

Best: R. Smith, K. Drew, P. Martin, R. Pratt, M. Beer, J. Russell.

DEATHS

HASLAM, Norman. — On July 16 (suddenly). Norman, dearly loved husband of Esther, dear Dad of Norman, Dorothy, Vie and Kevin, fond father-in-law of Ailsa, Baden, Lionel and Val, darling grandpa of 17 grandchildren. Someday, Dad, we will understand.

HASLAM, Norman. — Dearly loved Dad of Dorothy and Baden, adored Grandpa of Norman, David, Robert and Michelle. Deep in our hearts the memory is kept. Of a wonderful father we'll never forget.

HASLAM, Norman. — Darling Dad of Vie and Lionel, dear Poppa of Susan, Malcolm, Michael, Sonya, Peter and Ricky. It broke our hearts that you should go. When we weren't even there. We couldn't tell you just how much we care. But our memories of you, Dad, we'll hold so very dear. Until someday we'll meet again.

Beyond the passing years. HASLAM, Norman. — On July 16 (suddenly). Fond memories of a very dear friend. Sadly missed. — Des, Nita and family.

HILLMAN, — On July 19, Harold Gordon Hillman, of 12 Maidstone Street, Altona, dearly loved husband of Rene, loving father of Colin and Dawn. Rest in peace.

MORRISON, — On July 2, at her home, 4 Saville Street, West Newport, Eileen, dearly beloved wife of John, loving mother of Ian, fond mother-in-law of Ruth, loved grandmother of Glenn and Craig. Aged 70 years. In God's care.

SELVIDGE, Charles Henry (Hec). — On July 18 (suddenly at home). Loved son of Mick and the late Sarah. Reunited with Mum.

SELVIDGE, Hec. — On July 18. Dearly loved brother of Polly, loved brother-in-law of Stanley and loving Uncle of Craig.

Memories are for keepsake. With which we'll never part. God has you in His keeping. We have you in our hearts. Our Unk at rest.

SELVIDGE, Charles Henry (Hec). — Treasured memories of our brother. You passed from our lives but never from our thoughts. — Brother Jim, sister-in-law Irene, uncle of Jim and Nellie, great-uncle of Debbie, Dennis, Jeffrey and Darren.

SELVIDGE, Charles Henry (Hec). — Passed away suddenly at home on July 18. He would not ask for sadness. He would not ask for tears. But just to be remembered throughout the coming years. — Loved brother of Lois, brother-in-law of Eric and Unk of Brett.

SELVIDGE, Charles Henry (Hec). — On July 18, suddenly at home. Beloved brother of Phyllis, brother-in-law of Norm. (Mrs. Lydeamore), Raelene and Leeann and great-uncle of Lynette and Paula. A wonderful brother, may he rest in peace.

SELVIDGE, Charles Henry (Hec). — In memory of our dearly beloved brother, passed away suddenly July 18, at home.

We cannot bring back the old days. When we were all together. But loving memories of you will keep us all together. — Loving sister Myrl, brother-in-law Arch.

SELVIDGE, Charles Henry (Hec). — Passed away suddenly on July 18. A thought for today, a memory forever.

— Loving uncle of Fay, Denise, Garry, Marilyn, great-uncle of Cal, Dru and Mark.

THOMPSON. — On July 16, at her daughter's residence, 65 Tarranger Street, Yarraville, Edith Maud Thompson, dearly beloved wife of the late Michael (Mick) and loved mother of Gladys (Mrs. Brett, dec.), Violet (Mrs. Marr) and Mavis (Mrs. Durrant), fond mother-in-law of Fred and devoted Gran of Joan and Norma, great-Gran of Glenn, John, Stephen, Paul and Jennifer. Aged 95 years. Peacefully sleeping.

TOMLINSON. — On July 15, Eric, of 193 Nelson Place, Williamstown. Dearly loved husband of Betty, darling Daddy of Jennifer. Forever in our hearts.

TOMLINSON. — On July 15, Eric, loved son-in-law and brother-in-law of Nell and Jean Simons. At rest.

IN MEMORIAM

BARTLETT, Elsie May. — Passed away July 23, 1964. In loving memory of Mum. Time passes by but memories stay. Deep in our hearts from day to day.

Loving memories. — Hec and family.

BURT, Edith. — July 20, 1969. A golden heart has stopped beating. Your two helping hands are at rest.

In our hearts you will always live. The most wonderful mother God could give.

— Your daughter Dulcie, son-in-law Arthur, granddaughter Joan.

BURT, Edith Mary. — Treasured memories of Mum, passed away July 20, 1969. — Andy and Marge.

DAVIES, Victor Ernest. — Passed away July 21, 1964. Others are taken, this I know. But you were my Dad and I loved you so.

— Your loving son Don. DAVIES, Victor. — Passed away suddenly July 21, 1964.

Those who say you forget in time. Never had a Dad like mine. We miss you, Dad, we'll always will. You left a place no-one can fill.

Loved and remembered forever. — Your daughter Phyllis and grandson Colin.

HENWOOD. — In loving memory of my dear husband, Fred, loved father of Robert, uncle of Carol, who passed away July 26, 1962. Memories are a golden chain.

That link us till we meet again. — Loving wife Ida, son Robert and Carol.

HENWOOD. — In loving memory of my dear father, Fred, who passed away July 26, 1962. Father-in-law of Jocka, Pop of Leanne. Treasured memories fond and true.

Because we thought the world of you. — Loving daughter Margaret Mellis.

HENWOOD, Fred. — In loving memory of my dear father, fond father-in-law of Max, Pop of Gary and Kerry, who passed away July 26, 1962.

Close to our hearts you will always stay. Loved and remembered every day.

— Loving daughter Valerie Everitt. HENWOOD, Fred. — In loving memory of my dear father, father-in-law of Lesley, who passed away July 26, 1962.

Always remembered. — Loving son Graeme. JACQUES. — Treasured memories of my devoted wife, Mary Daglish, passed away July 24, 1969.

Memories are a keepsake. With which I'll never part. God has her in His keeping. I have her in my heart.

Loving husband Robert. JACQUES, Mary Daglish. — Passed away July 24, 1969. In memory of a wonderful Mum, Nana and great-Nana.

No words we write can ever say. How much we love and miss you every day.

— Loving Mum of Edith, Nance, George and Jim, dear mother-in-law of Edie, Bob and Jack, dearly loved by her grandchildren and great-grandchildren.

KRETZSCHMAR. — In loving memory of dear Mum, passed away July 25, 1968, also dear Dad, July 2, 1953. Like falling leaves the years go by.

But loving memories never die. — Nell, Bob, Jimmy and Lynda.

KRYGGER, Mam (Sis). — In loving memory of my dear wife, who passed away July 29, 1968.

My wife. — Loving husband Tom. KRYGGER, Mam. — In loving memory of my mother, Nana and mother-in-law, who passed away July 29, 1968.

Mum, I would give all my tomorrows. For just one day of yesterday.

What is a home without a mother. — Inserted by her loving daughter Lorraine, son-in-law Jack, grandson John.

IN MEMORIAM

RAWLINSON. — In loving memory of dear Mum, passed away July 21, 1961. A little token true and tender. Just to show we still remember.

— Bill and Win, Stan and Tange Foxcroft and families.

CAMBERWELL DEFEAT ALTONA IN HOCKEY

Camberwell played superlative hockey to easily defeat Altona 3-0 at home.

Under excellent conditions and with Altona (sixth) playing Camberwell (seventh) the stage was set for a great game.

Although Camberwell scored early, the first half saw Altona attack repeatedly but over anxiousness caused the attacks to break down on a stubborn defence.

A goal by Bruce Forrester was disallowed.

Several Camberwell attempts to score were brilliantly turned out by Bob Verity.

After the interval Camberwell built up pressure with great stickwork and anticipation and it was almost inevitable that they must break through. This they did with two goals to run out easy winners.

It was stated after the game by the Camberwell captain that they have only played well twice this year, both times against Altona.

C North defeated Fairfield 7-0.

With an excellent crowd to watch the game Altona turned it on with a convincing win.

The determination to be the top team appears to have returned but can the pressure be maintained.

Using the necessary ingredients — concentration, positional play and good team participation — Altona kept the pressure up all day to find many holes in the Fairfield defence.

Best: E. McCauley, A. Willett, B. Smith.

D North defeated Reservoir 3-2.

Playing the second top team at home, Altona battled hard all day in a tough and go game.

At half-time Reservoir led 1-0 despite the fact that up to this stage Altona had looked the better team.

After the interval Robbie Pratt, who was playing well, broke through for two quick goals. Chris Bruce followed with another. Not to be outdone Reservoir came back but could not bridge the gap.

Best: R. Pratt, M. Cibet.

Under 16 defeated MHSOB 4-0.

MHSOB were only able to field 9 players. However, they made it difficult for Altona to score early in the game, but Altona still managed to find the net twice before the interval.

The standard of play improved as the game went on and with Mark McDonald in fine form MHSOB could not break through. Although Altona scored twice more for an easy win the standard of play will have to improve if the team is to have any success in the finals.

Goals: J. Forrester 2, C. Bruce, S. Jensen.

Under 14 were defeated by MHSOB 4-1.

Starting very slowly, Altona had no answer to MHSOB's fast, play-on game. Three goals in 15 minutes early in the first half made it almost impossible to get back into the game. A fourth goal sealed whatever chance Altona had and though they fought hard to score a goal

MHSOB had their measure.

Goal: S. Smith.
Best: K. Bebed, B. Neyland.

CLUB NOTES

Any member holding a stock of clean newspaper is requested to deliver same to Jim Studley's ASAP.

Members beware. Thefts of money and valuables from cars and from bags and clothing hanging in the pavilion is rampant. Take care to make sure that your car is locked at all times and that you do not leave anything of value where it can be easily removed.

This Saturday is the last round of under age home and home matches.

Altona Soccer Club

UNDER 14

Altona beat JUST by one goal to nil in an exciting game on the JUST ground last Saturday and by doing so won the Under 14's West Division League, as with one game to go they are four points in front of the nearest team.

This is the third season in succession that Altona have won the League, premiership and this is an excellent achievement.

The match was very even throughout and both teams had every chance to take the lead but good defences held out until five minutes from the end as Altona got the break when T. Hamill scored with a great shot and all the team were very pleased with themselves and Altona made sure JUST never got back into the game in the remaining minutes.

UNDER 16

Altona played Albion Rovers on Sunday last and they were not troubled in winning 6 goals to nil.

With a wind blowing down the ground the best of soccer play was out of the question and Albion Rovers never helped things as they played a spoiling game and tried all they knew to upset Altona.

M. Alsopp played a cool game and R. Gramsbergen, an Under 14 player having a run in the Under 16 team, played very well.

UNDER 11

Altona, at home to JUST, played well to win by 2 goals to 1. A strong wind was blowing across the ground making it very hard for the players but they played good soccer to give the spectators plenty to shout about.

Spinner scored in the first half with a well-taken goal, giving the goalkeeper no chance.

In the second half Altona did most of the attacking and Spinner booted his second goal for Altona to give them a two goal lead, but just before the finish JUST managed to score to make it 2-1.

Best for Altona: Spinner, Reilly and Dyball.

UNDER 13

Altona were away to Our Lady's Sunshine last Sunday and they won easily 6-1. Altona were much too good and they gave Our Lady's the run-around. The windy conditions spoiled the game and good soccer was hard to come by but still it was a good game.

THIS WEEK'S DRAW

Under 16's at home to Corio at 1.15 p.m.

Sunday: Under 11's away to Melton. Under 13's at home to JUST.

A.W.M.C. Bowlers Head Sections

The Inter Club pennant season for indoor bowls is almost at an end and four of the Altona Working Men's Club teams are going well as section winners.

Joyce Yates is the new Club Champion, after defeating Austin Malloy in the play-off on Thursday, July 16 — 22-14.

Victorian singles matches commenced last Sunday at the A.W.M.C. with the finals being played next Sunday.

On August 2, finals of the Victorian fours will also be played at the Club — a busy month for the indoor bowls.

Social bowls are still played every Thursday — the poor attendance on these nights could be due to pennant pressure or is it the "cold winds".

CITY SURPRISE CAULFIELD GREEN IN LACROSSE WIN

In A grade City produced the surprise of the season in defeating Caulfield Green. Caulfield playing four "all Australians" from the recent championships were favorite but could not stop the fast City team on the Fearon Reserve.

Coach A. Inglis had worked hard to get this team very fit and a few more wins could see City in the final four.

Feavons, playing against Malvern Red, a second division team, were expected to win easily but in registering only 25 goals to the Reds' 5 the Feavons apparently took it easy.

"E" Feavons (Under 16) were unlucky not to beat the undefeated Malvern Blacks. The last time these two teams met the difference in the score was 20-odd goals but on Saturday the Feavons got to within four goals.

Coach K. Speakman is full of confidence and feels that if his team meets the Blacks in the finals the Feavons will more than make up the four goals leeway.

Scores often belie the standard of the game and this was proved in F Grade (Under 14) when the Feavons beat the City team 21-4. Both teams had been undefeated and City had to lower its flag and full credit must be given to R. Tregear who has the Feavons at their top, but next year 1969's Under 12 premiers will be after the 1971 Under 14 medal.

BOXING ON SATURDAY

One of the young boxers being trained by Lionel Rose's trainer, Jack Rennie, will probably be appearing at the Boxing Night in the Youth Club Hall in Civic Parade, Altona, this Saturday night.

Jack Rennie will be accompanying his protegee.

Altona's two schoolboy champions Angelo Vassiliadis and Steve Siperki will be appearing and two new boys, Peter Newman and Douglas Leech, will be having their first bout.

The first contest will begin at 8 p.m.

Hostel Will Help With Footpath

Commonwealth Hostels Ltd. will contribute up to \$1750 towards half the cost of providing a footpath from the Wiltona Hostel to the Mobil Railway Station along Kororoit Creek Road, Williamstown Council was told.

Estimated cost of the footpath is \$3,500.

Cr. H. W. Clancy referred the matter to council's Public Works Committee.

Miss M. Zammit, Melbourne Road, Williamstown, expressed concern to council about the condition of Kororoit Creek Road.

She said the road urgently needed complete reconstruction.

"Even though reconstruction would cause inconvenience to road users, people will remember favorably the result of a little inconvenience while Ferguson Street was being reconstructed," Miss Zammit said. "This project was a triumph to council, and I feel it would complete the thoroughfare by reconstruction of Kororoit Creek Road."

She said she realised that finance was a problem, but felt the Government could be approached because Kororoit Creek Road was the main Right Range boundary. She said Altona Council could also be approached for a contribution.

The council will inform Miss Zammit that a reconstruction scheme was before the council.

"I hope it will be done in the next few years — not the next decade," said Cr. K. C. White.

WILLIAMSTOWN GRAMMAR SCHOOL

Scholarships

Footscray Goals: N. Lemmon 3, R. Lemmon, White, Richards, Mollison 2.

Footscray Best: N. Lemmon, R. Lemmon, Clark.

To Play Interstate Hockey

One of the players chosen for the Victorian Ladies' interstate hockey team is well-known among local players although she is a member of the Box Hill Club.

She is Irene Docker, wife of Pip Docker, a former Altona player and past president of the Altona Hockey Club.

Irene has played previously in interstate matches. Next month the team goes to Perth and later will visit other states.

Girl Guides

This Saturday, July 25, the second unit of physically handicapped Ranger Guides will be opened in the Gellibrand Guide Hall, Peel Street, Newport, under the leadership of Miss L. Allen and Assistant Leader Mrs. E. Cope.

The Extension Branch Auxiliary which works for these girls will meet on Monday, July 27, at 7.45 p.m. at the home of Mrs. Corner, 2 Revo Street, Newport.

The Region Local Association Conference Committee will meet on Tuesday, July 28, at 7.45 p.m. at the home of the Region Commissioner Mrs. Carlyon, 66 Suffolk Street, West Footscray.

Williamstown Youth Centre

A Variety Concert is to be presented at the Williamstown Youth Centre at 2 p.m. this Sunday, July 26.

The Summer-Lea Concert Party, including television personalities Carol Van Borne and Fred Dodge, together with the Horace McWilliam Ballet, Fred Herman and other supporting artists will provide a very entertaining two hour program.

A very enthusiastic group invaded St. Moritz Ice Skating Palais last Wednesday evening. This would have been one of the largest groups (118 children, 12 adults) to attend the ice rink.

NEWPORT A.N.A.

At the meeting in the Dispensary Hall on Thursday, July 16, Newport 1 and 2 teams got in a little practice for future matches in the ANA Indoor Bowls Association's annual competition.

Newport 2 (Mr. L. Minett, capt.) won from Newport 1 (Mr. G. Buttery, capt.), 14-10.

On Thursday, July 23, Yarraville will be at home to Newport 2, while at Newport Branch on Thursday, July 30, Newport 1 will play Williamstown and Newport 2 will meet Sunshine.

The Dispensary Hall is cosily warmed with wall heaters and old and new friends are cordially invited to attend.

Home Road Kindergarten

The children from the Home Road Kindergarten have been working hard preparing for their own Art Show which will be open to the public with a variety of art work on display.

It will show the capabilities of the pre-school child and the place of the Kindergarten in the education system.

The Kindergarten will be open to the public with a variety of art work on display.

LISTON-ESPLANADE REACHES KOORYONG FINALS

Liston-Esplanade scored an easy three rubbers to one win over Lauriston in the last home and home match of the season to maintain its huge lead at the head of the LTAV's "A" Grade ladder.

The ladder is as follows:

Liston-Esplanade	11
Elsternwick	8
Royal South Yarra	8
Glen Iris	7
Grace Park	7
MCC	7
Beaumaris	2
Lauriston	2
Unfinished matches: RSY v. MCC, Liston-Esplanade v. Glen Iris.	

Liston-Esplanade has had a brilliant A Grade season this year losing only two matches, — a singles against Grace Park and a doubles against MCC.

This weekend will see the completion of unfinished matches, rubbers and sets.

In other grades the club's C Special team pressed its final claims with another good win. Members of this team are Michael and John Kelly, Robert Walker and John Hewitt.

In C Grade the No. 1 team also scored a win whilst the No. 2 team defeated Caulfield Recreation by a set. Ron Bury and Charlie Trickey combined well to win both their rubbers — one in straight sets and the other in three.

The D Grade No. 1 team lost narrowly to Beaumaris by a set, Alan Urban and Wayne Pauline winning one in straight and Les Allan and David Fowler scoring in three.

The D Grade No. 2 team defeated Parkville 3-7-45 to 1-2-38. Allan Lees and Jeff Howarth performed splendidly to win both rubbers in straight sets whilst Stephen Skalka and Colin Fowler won one in straight and lost their other in three.

Doug Stephenson is currently organising a picture night for late August and he is confidently predicting a boost for club funds. More details from Doug when final arrangements have been made.

ALTONA METHODISTS WIN BASKETBALL PREMIERSHIP

Two basketball teams from the Altona Methodist Club have just completed a successful season of night competition at the Victorian Women's stadium at Royal Park.

The No. 1 team was defeated once only during the season and in an exciting grand final match won the title by defeating Doncaster by nine goals.

Players in the winning team were Robyn Webb, Ruth Beales, Rhonda Douglas, Kaylene Langdon, Val Burchell, Glenys Thompson, Elizabeth Cahill and Lynne Faichney.

Team No. 2 also reached the grand final of their section but were defeated by "Embers" — Altona finished a good season being runners-up.

These players were Helen Turner, Lesley Hyde, Diane Elliot, Diane Adams, Sue Elliot, Cheryl Young, Joy Neville, Elizabeth Barnes and Janet Dutton.

Meanwhile the club continues playing five teams in

Saturday afternoon competition and last week all five were successful.

Results were:
A Grade defeated Wood Street, 30-19.
A Reserve defeated Newport Baptists, 30-13.
B Grade defeated Williamstown C. of C., 22-17.
B Reserve defeated Wood Street, 36-31.
C Grade defeated Williamstown Baptists, 45-0.

THIS WEEK'S GAMES

A Reserve v. Williamstown Congs. at Wilkin Street, 3.15 p.m.

B Grade v. St. Mark's at Seaholme, 3.15 p.m.

B Reserve v. St. Mark's at Mary Street, 3.15 p.m.

C Grade has a bye.

FRANK MCCORMACK WINS BILLIARDS CHAMPIONSHIP

Frank McCormack of the Altona Elderly Citizens Club has won the Singles championship of the Elderly Citizens Billiards and Snooker Association played last Friday at the Yarraville Club before an unexpectedly large crowd of onlookers.

Frank defeated G. McDonald of the Footscray House of Happiness, 221-142. Both players are champions of their clubs.

Referee was Wal Ray of the Yarraville Club.

Some brilliant shots were played and in the early stages of the game scores were close.

McDonald played some over-strong shots which did not score and he seemed to lose concentration. He played some fine shots but not good enough to produce big breaks and McCormack went on to win.

Mr. H. O'Connor, vice-president of the Yarraville Club presented the winner's award to Mr. McCormack. The prize for the runner-up was made by the secretary of the Yarraville Elderly.

Winner of the prize for the oldest player who had taken part in four or more games was Mr. Frank Mason who received his trophy from Mr. G. Morris, president of the Newport Club.

The winning club, Altona, holds the honour board for six months.

The president of the Billiards and Snooker Association, Mr. Fred Heard, thanked the Yarraville Club for their hospitality and making the club's facilities available for this grand final night.

T.P.I. Card Afternoons

Three new members, Mrs. Symes, Mrs. Woods and Mr. P. Webb (all from Ascot Vale) were among the 56 members of the T.P.I. Social Club who had an enjoyable afternoon of cards on July 16.

Winners were Mrs. G. Taylor and Mr. R. Harris.

Next card afternoon will be at 1.30 p.m. on July 30 at the Manchester Unity Hall, Footscray.
